A Visit to the Library by Tester, Sylvia Root

Dr. Will You Read It

Book keeper song (Hokie Pokie)

You put your book keeper in
Pull your book out
Flip a few pages to see what it’s about
If you’re in doubt you put it right back
And start all over again.

You put your book keeper in
You pull your book out
You flip a few pages to see what it’s about
If it’s the one you want
You pull the keeper out
And take it to the computer.

Library song (The Wheels on the bus)
The door of the library is open for me, open for me
The door to the library is open for me so here I come

The books on the shelf are there for me, there for me, there for me
The books on the shelf are there for me, so let’s pick one to read

The carpet squares are just for me, just for me, just for me
The carpet squares are just for me so criss-cross apple sauce.

What to do

My eyes are looking
My ears are listening
My nose is breathing
My mouth is closed
My legs for criss-crossed apple sauce
And my hands are in my lap.

Do you know how many librarians it takes to change a light bulb?
No, but I know where you can look it up!

Peoplebumps books!

Five Finger Check

Flip a few pages then do the five finger check.
Pick a page, make a fist and read from the top
One little, two little, three missed words
That’s ok just keep on reading
Four little five, little missed words
Makes a whole handful
Now close that book
It is not the one for you today.
Does that mean you can’t read??
NO, it’s just not the one TODAY.
